**Greenburgh Town Supervisor Presents Budget Message**

Greenburgh Town Supervisor, Paul Feiner has released his proposed budget for 2016 with a message of fiscal strength.

Feiner’s Budget Message: Once again, we have kept the budget within the limits of the New York State tax cap. In addition, the increases are the lowest in years: less than one-half of one percent in the A budget ($15.9652 over $15.8876) and barely over one percent in the B budget ($201.0113 over $198.9643).

Our financial success is the result of our ongoing pursuit of new smart-government cost-saving initiatives and the relentless efforts of the Town Board, our department heads, and members of the community. Combining these efforts with prudent limitations on new expenses will prepare us for the inevitable challenges of the economic cycle. We owe it to our community to work together to keep our government expenses under control and limit the use of fund balance to ensure financial flexibility and the long-term prosperity of our Town.

The Town used $1.1 million of fund balance, in the Town Entire Fund and Town Outside Village Fund, to balance the budget in 2016. The Town Entire and Town Outside Village Fund Balances are projected to be $13.6 million and $20.9 million, respectively.

**“The Girl on the Train” to Film in White Plains and Gedney Neighborhood**

By Pat Casey

DreamWorks Studios is scheduled to begin filming the adaptation of the Number 1 New York Times Bestseller “The Girl on the Train” beginning November 4 through December 9 in White Plains, including parts of the Gedney Farms neighborhood.

The lead role of Rachel Watson will be played by Emily Blunt of “The Devil Wears Prada” and “Edge of Tomorrow” fame.

“The Girl on the Train” is a psychological thriller novel by British author Paula Hawkins – a real page-turner.

The novel debuted at number one on The New York Times Fiction Best Sellers of 2015 list (combined print and e-book) dated February 1, 2015 and remained in the top position for 13 consecutive weeks. By early March 2015, the novel had sold over 1 million copies and 1.5 million by April.

The film rights were acquired by DreamWorks Pictures in 2014 for Marc Platt Productions.

The story is a first person narrative told from the point of view of three women: Rachel, Anna and Megan.

Rachel Watson is a 32-year-old alcoholic who is going through a

On Oct. 29, White Plains Mayor Tom Roach announced the members of the White Plains Multimodal Transportation Center Redevelopment Project Stakeholder Task Force, which will work in tandem with the professional research group.

The object of the task force and Parsons Brinckerhoff is to re-assess the White Plains Metro-North station so that it functions more efficiently for all users and integrates the myriad

Commemoration of the 239th Anniversary of the Battle of White Plains

The Battle of White Plains 239th Anniversary Commemoration and reenactment took place at the Jacob Purdy House National Historic Site (General George Washington’s Headquarters) on Park Avenue, White Plains, Sunday, Oct. 25.

Military drills, musket fire and interactive demonstrations of Revolutionary War camp life were acted out by members of the White Plains Historical Society.

General George Washington and White Plains Councilwoman Milagros Lecuona were on hand to inspect the troops.

A special project of the White Plains Library also published this month on YouTube (www.youtube.com/watch?v=8fsByhhp09w) provides an overview of the Battle of White Plains and the invasion of New York City by British forces.

Another project of the White Plains Historical Society is a compilation of a list of individuals (American, British and German) who participated in the Battle of White Plains, the regiments in which they served, and as many details as possible as to where they were positioned and what happened to them during those days. The list, which is available at www.whiteplainshistory.org is updated on a regular basis.

To experience the season’s arts, theater and events, take Metro-North.

Metro-North’s comfort and convenience make it the smartest way into NYC this fall season. With no traffic or parking to deal with, you can concentrate on enjoying weekends and holidays, museums, food and film festivals, Broadway and crisp autumn days and nights.

Trains run all day, every day, and late into the night. Return trains (to most stations) from Grand Central continue departing after midnight. Parking is available at all Metro-North stations, and most are free on weekends and holidays.

Purchase tickets at ticket offices/machines prior to boarding and save money.

of transit services while also creating a more welcoming and dynamic place; reestablish the area immediately surrounding the station, through the creation of more pedestrian-scale streets, transit-supportive land uses (commercial and residential), and engaging public spaces; strengthen the linkages and connections between the multimodal transcenter and the downtown core; and provide strategic planning, which will help identify early opportunities that will have an immediate impact on specific conditions and which is also comprehensive, including identifying potential funding streams.

According to a memorandum from the mayor’s office, the purpose of the Task Force is to serve as a forum for collaboration among all interested stakeholders; serve as a liaison with various constituency groups; provide input on project vision and plan; participate in public meetings.

Members of the new task force are: Mayor Tom Roach, chairman – representing the city of White Plains; Michael Shiffer, V.P. Planning, MTA Metro-North Railroad; Ed Buroughs, Westchester County Planning Commissioner; Todd Westhuis, NYS Dept. of Transportation, Division of Operations and Asset Management; Justin Brasch, Metro-North Commuter and resident; Larry Salley, Chair White Plains Housing Authority, former Commissioner Westchester County Department of Transportation and resident; Mary Cavallero, former chair, White Plains Planning Board and resident; Patty Cantu, co-president Battle Hill Neighborhood Association and resident; Peter Mosbacher, Senior V.P. Community Development Webster Bank - placemaking advocate; Richard Payne, cycling advocate and resident; Robert Weisz, CEO RPW Group; Susan Fox, President and CEO White Plains Hospital; Tim Jones, Managing Member, Robert Martin Company, LLC; William Cuddy, Executive V.P. CBRE Brokerage Services. The goal is to complete the process within one year with a review and proposal for a new multimodal transportation center at the site of the current Metro North train station in White Plains to include redevelopment proposals for other properties in the immediate and adjoining area.

The Battle Hill neighborhood, existing bus station and Bus Rapid Transit (BRT) included in the Tappan Zee construction plans are all to be considered in the multimodal plan.

In related news, a new 186,000 sq. ft. garage featuring 500 parking spaces was opened at the North White Plains Metro-North Train Station on Friday. The new garage features electric vehicle charging stations, scooter parking and bicycle racks. Site-specific artwork commissioned by MTA Arts & Design features 125 stainless steel panels in a continually changing display of water bubbles.
Greenburgh Town Supervisor Presents Budget Message

continued from page 1

December 31, 2016.

The Aaa bond rating we have received from Moody’s and Standard & Poor’s, the highest bond rating a municipality can earn, has helped us with financing - keeping costs down on essential infrastructure needs and other capital projects.

Our residents are or will be the beneficiaries of special New York State financial incentives due to our cost reduction efforts and the Town’s ongoing adherence to the State tax cap. New York State is rewarding residents with bonus checks for those who live in communities that comply with the tax cap and have cut expenses. Our taxpayers started receiving them last month. The opposite is true in many other communities and school districts around the state that have already announced they will override the tax cap. Greenburgh has kept tax hikes under the State cap every year since the cap was enacted into law.

A $664,884 reduction in the Town Entire’s 2016 appropriations is essentially due to the $750,000 reduction in the appropriation for the allowance for uncollectible taxes.

In summary, Greenburgh is financially sound. However, we need to continue on the same fiscal path so we may remain strong and confident in the face of an unpredictable future.

The proposed budget has been filed with the Town Clerk and will be posted on the town’s website at www.greenburghny.com.

White Plains Library Receives Major Gift to Complete Renovations

The White Plains Library has undergone a series of major renovations to its teen and children's library areas, making the library more tech-savvy and welcoming to students.

A gift this month of $1 million from anonymous donors to the White Plains Library Foundation, in addition to contributions from the City of White Plains and $500,000 that the Library Foundation raised, will enable completion of the first floor renovations and construction of the Hub, a new library for adults.

The new area will include room for reading, studying and collaboration, access to improved technology, new community meeting areas and a café and Friends Bookstore.

The Foundation will celebrate its 20th Anniversary at a fall fundraising gala on Saturday, Nov. 14.

The library is located at 100 Martine Avenue. For more information visit whiteplainslibrary.org or call 914-422-1480.

Tom, her ex, and Anna are now married and have a daughter. However, Tom cheats on Anna by having an affair with married neighbor Megan Hipwell. As the story begins, Megan is pregnant and secretly believes Tom to be the father.

While Rachel rides the train to and from London every day, she notices a beautiful couple whose lives she envies as they look happy. She watches them on their deck and though she has never met them, she believes them to be the perfect couple. Days later, she sees a news story about a woman’s disappearance and realizes it is the woman - Megan. … If you have not yet read the book, might be time to do so – or perhaps wait for the movie, which will be released in 2016.

Emily Blunt is the star of “The Girl on the Train.”

A recent notice from the Mayor’s office invited White Plains residents to apply to have their homes placed in a database for possible movie production.

The City of White Plains is considered to be strategically located within the “Studio Zone Radius.” This means that film crews can film here and studios do not have to reimburse them for travel time or hotels, thus making filming in White Plains desirable and economical.

White Plains has recently hosted crews from Elementary, Madam Secretary, Sneaky Pete, Billions, Mr. Robot, and Blindspot. In recent months, the library, restaurants on Mamaroneck Avenue, and homes in residential neighborhoods have all served as film sets in various productions.

Contact the Mayor’s office at 914-422-1411 for more information or to be included in the database.

Yonkers Police were alerted on Oct. 22 to the situation after receiving a call that a foul odor was emanating from the residence and that urine and feces from the dogs were seeping into the apartment below, causing damage. Two young, adult female pit bulls were discovered in the apartment without water or food. The dogs were covered in their own waste and were emaciated.

Following an examination by a veterinarian, the dogs were found to be dehydrated, underweight and had various skin infections. They were treated for their conditions and transported to the Yonkers Animal Shelter where they are now available for adoption.

Hudson Valley Restaurant Week has
197 restaurants participating in its fall
2015 program. Despite the word “Week”
in its name, the program runs for a two-
week period beginning on Nov. 2 and
ending on Nov.15.
The cost-to-dine remains exactly the
same as it was in 2013 and 2014 -- $29.95
about HVRW menu availability and hours
of operation.
About 45 percent of the restaurants
have posted their HVRW menus on the
program's website.
One-hundred-three of the restaurants
are in Duchess County (32), Rockland
County (23), Orange County (17),
Putnam County (11), Ulster County (9)
and Connecticut (2). No restaurants from
Columbia County are participating.
A few restaurants have surcharges for
premium items on their HVRW menus.
Restaurants are listed in A-to-Z
alphabetical order on a website chart and
the eateries can also be rearranged in
alphabetical order by (1) county, (2) type
of cuisine or (3) town.
“Book Now” reservations may be
made directly for about 40 percent of the
dinners via the website through
OpenTable. Reservation phone numbers
are provided for restaurants that do not
participate in OpenTable’s reservation
system.
Pros and cons associated with the
program and tips for your visit follow:
Advantages for diners:
— Prestigious participants. Many of the
region’s finest and most expensive dining
establishments are represented.
Wide restaurant participation. One-
hundred ninety-seven restaurants are
participating.
Exceptional value. Even if you are
fussy, the prices represent an inexpensive
way to eat at many elite places at a fraction of
the normal menu cost and a way to try
previously unvisited restaurants.
Speedy service. Kitchens usually
operate efficiently because of the
limited number of items on the HVRW
menu.
Disadvantages for diners:
— Less attentive wait staffs. Since HVRW
patrons pay less for their meals, waiters
and waitresses may provide poor service
assuming that tips received from these
guests will be lower than received from
other customers.
— No side-dish substitutions may be
allowed. To alleviate the kitchen overload,
many restaurants adhere firmly to a “no
substitutions” rule for side dishes.
— Smaller portions. Restaurants may
skimp in the portion sizes of their dishes
in order to offset the reduced prices they must
charge.
— Seating time restrictions. Previously,
some restaurants have offered patrons the
HVRW menu only during non-
prime-time dining periods.

The Stepinac High School Varsity Football Team beat Chaminade High School, 41-7, to conclude their 2015 regular season with an undefeated record of 8-0 overall and 7-0, in the Catholic High School Football League (CHSFL) AAA.

It is the second consecutive year that the Crusaders have recorded an undefeated record in the regular season. Moreover, while including postseason competition, the Crusaders have won 18 of the last 19 games dating back to September 6, 2014.

The only defeat the Crusaders sustained since the beginning of the last season was against Canisius High School, in the inaugural New York State Catholic High School Championship, on December 7, 2014.

Stepinac is the Number One ranked team in New York State and ranked Number 124 in the country. Stepinac enters the CHSFL AAA Playoffs as the number one seed and will host Chaminade on Sunday, Nov. 8, at 1 p.m. in the AAA Quarterfinals.

“It is an unbelievable accomplishment for us to get the number one seed after playing our toughest schedule in recent memory. We are very proud of our players; but we still have a lot of work to do,” stated Stepinac Head Coach Mike O’Donnell.

The Crusaders were not to be denied an undefeated regular season when they suited-up to play the Flyers at Stepinac on Saturday. The Crusaders crushed the Flyers 41-7, while scoring 41 unanswered-points into the fourth quarter.

Saturday was Senior Day at Stepinac and the Crusaders Football Program will graduate 30 seniors this year. Crusaders Captain and senior quarterback Tyquell Fields celebrated Senior Day by throwing for 317 yards on 16 of 27 passing with two touchdowns and one interception. Fields also rushed for 68 yards on six carries, including a 37-yard run for a touchdown. Crusaders senior running back Kobe Miranda joined the Senior Day celebration by crashing the line twice for two touchdowns both on two-yard runs. Miranda rushed for 58 yards on eight carries and had two receptions for 52 yards in the game.

Stepinac senior wide receiver Jesse Brown concluded his final regular season by catching three passes for 79 yards and scoring one touchdown. Also, celebrating Senior Day were Captain wide receiver T.J. Morrison who had two catches for 51 yards and senior wide receiver Kia Clarillo, who caught three passes for 50 yards.

Furthermore, Stepinac senior Kicker Liam Butler had an eventful Senior Day, against Chaminade. Butler booted two field goals and kicked five-for-five on extra points to score 11 points in the game. Butler’s steadfast kicking will be an essential asset in the Playoffs, if Stepinac is to repeat as CHSFL AAA Champions this year.

Stepinac quarterback Tyquell Fields completed 16 of 27 passes for 317 yards and two touchdowns, as the Crusaders beat Chaminade, 41-7, to end their regular season undefeated at 8-0. Fields will lead the number one seeded Crusaders into the AAA Playoffs, against Chaminade, at Stepinac, on Sunday, Nov. 8, at 1:00 p.m.

The only team to repeat as Catholic High School Football League Champions in the past 20 years is St. Anthony’s High School, so it is not an easy feat,” emphasized O’Donnell, whose Crusaders beat Iona Prep last season to win the 2014 CHSFL Championship.

The future also looks bright at Stepinac, as junior running back Antonio Giannico rushed for 59 yards on seven carries and junior wide receiver Devante Reid had five catches for 78 yards and one touchdown against Chaminade.

Giannico and Reid had stellar junior regular seasons, which helped the Crusaders maintain an 8-0 record. Giannico averaged 8.5 yards per carry, while running the ball 71 times for 602 yards with eight touchdowns. Reid had 29 catches totaling 347 yards with four receptions for touchdowns and one defensive TD.

The Crusaders with the number one seed will have home field advantage throughout the CHSFL AAA Playoffs. The Crusaders will begin their run to repeat as CHSFL Champions, when they welcome back Chaminade to Stepinac High School, on Sunday, Nov. 8, at 1 p.m.

“Most people only remember how the season ends. We have many upcoming important games that will decide how this team wants to be remembered,” said O’Donnell.

White Plains Students Star in Little Shop Of Horrors on stage at WPPAC

“Don’t feed the plant!” echoes from the rehearsal hall where sixteen middle and high school students from around Westchester County are busy rehearsing the new classic musical, Little Shop of Horrors, with the White Plains Performing Art Center Conservatory Theatre. Several of these students hail from the White Plains.

Little Shop of Horrors is a gleefully gruesome musical spoof of the 1960 Roger Corman Film.

This monster musical is about a hapless florist shop clerk, Seymour, who offers his tender love and care to a plant that feeds on human blood. This plant, Audrey II, named after Seymour’s secret love, quickly becomes a fascinating attraction in neighborhood called Skid Row. The score, composed by Alan Menken with book and lyrics by Howard Ashman follows the style of early 1960’s rock and roll, doo-wop and early Motown.

The cast features White Plains students Kelly Ainsworth and Catherine Serra as Ronnette and Chiffon, two of the doo-wopingurchins, Elana Mariani and Kristen Mylëk as Skip Snip and Bernstein, two smooth-talking business people trying to profit from the plant, and Ashleigh Nutt and Anna Gizzo as other colorful characters on Skid Row. The cast also features the talents of Alex Arlotta, Simone Carcer, Mary DelVecchio, Kathleen Fox, Rose Hornyak, Temia Innamorato, Kate Jaffee, Francesca Ricigliano, Zack Tashoff, and Nick Varsames.

The production is directed by Ariana Moses, WPPAC’s Director of Education, with music direction by Paul Loman and choreography by Lexie Fennell Frare. Production design include Scenic Design by Katie McGeorge, Lighting Design by Catherine Clark, Costume Design by Antonio Consuegra, Properties Design by Anastasia Ferraro, Sound Design by Jovany Gertler, and Puppet Design by Michael Bush and Fergus J Walsh.

Little Shop Of Horrors performs on Friday, Nov. 13 and Saturday, Nov. 14 at 8 p.m. and Sunday, Nov. 15 at 2 p.m. at the White Plains Performing Arts Center located on the third level of City Center off Mamaroneck Avenue in downtown White Plains.

Tickets are $20 and $25. For tickets: visit the theatre box office Monday-Friday (11 a.m.-6 p.m.), purchase tickets online at www.wppac.com or call 914-328-1600.

Little Shop Of Horrors is a production of the WPPAC Conservatory Theatre, which includes actors in 7th through 12th grades.
